OVERNIGHT INFORMATION

CONNECT campers have the option of staying overnight on Wednesday night. Your counselor will be in conversation about this throughout the week. For those campers who are planning on staying overnight, here is the information you will need to know.

Wednesday Night

Evening activities will include some fun activities such as recreation time, beach worship, and cabin hang out with counselors and cabin mates.

Additional things to bring with you on Wednesday morning

- Bedding (sleeping bag or sheets) and pillow
- Toothbrush & Toothpaste
- Pajamas
- Fresh clothes for Thursday
- Anything else preferred or needed for bedtime routine
- Toiletries and Medications for night
- Towel and shower toiletries if showering is a part of the bedtime/morning routine

CAMP STORE PUNCH CARDS

Camp store punch cards, as an alternative to cash for the camp store, are offered for overnight campers. Pre-ordered punch cards in the amount of \$10 or \$20 must be pre-ordered at the time of online registration.

The camp store is open during check-in and check-out so parents may accompany campers for larger purchases such as t-shirts and sweatshirts. If there is a balance remaining on the punch card at the end of the camp session, you may stop at the camp store for a refund after signing your camper out with the counselor.

Camp store punch cards may be used to purchase a t-shirt with GENEVA's logo on to tie-dye (\$5). Campers may also get cash from their punch card for the pop machine or to donate to the camp

DEPARTURE

Monday-Tuesday

Your camper may be picked up anytime between 6:30 and 7:00pm at the Retreat Center.

* If your camper decides **not** to sleep over Wednesday night, pick-up will be the same as the previous days.

- **You will be required to sign your child out with the counselor each day.**
- We will not release a camper to anyone other than:
 - the person(s) designated at the beginning of the week or
 - anyone you listed as authorized to pick up your camper on your original registration form

Thursday

We encourage parents to join us in the Retreat Center at **6:00pm** when the campers will share some of the experiences and lessons they learned during their week at camp. The program lasts about 20 minutes after which you may pick your child up.

SWIMMING at GENEVA

On the first day of camp, we will give each camper a swim test to determine their swimming ability. Strong swimmers will receive a wrist band that will allow them to go in current channel and the deep end of the pool. All others receive a different colored wristband and will be required to stay in the shallow end of the pool.

If you send a life jacket with your camper, we will require that they wear it at all times and will also require that they stay in the shallow end of the pool.

VISITATION POLICY

Camp does not have visiting periods for friends and relatives since the sessions are short and we cannot have people wandering the grounds during camp sessions for security reasons.

LOST & FOUND POLICY

- GENEVA is not responsible for items left behind, lost, or stolen.
- **Parents are encouraged to label everything with the camper's full name.**
- Items found will be displayed at the closing program.
- Please call our office as soon as you realize your camper is missing an item.
- Items with names will be held for 14 days and we will contact you to pick them up. Any items not claimed after 14 days will be given to charitable organizations. Parents will be responsible for the cost (shipping and handling) of mailing any items.
- **Items without names will be donated to a charitable organization at the end of each session.**

**MEDICATIONS/
SUPPLEMENTS/
ESSENTIAL OILS**

All medications/supplements/essential oils brought by the camper (prescription and over-the-counter) must be turned in at check-in.

Any of these items you bring MUST be in the original container, be prescribed for the camper, and include clear and current directions.

The health officer/camp nurse will be available at check-in for those who have questions or health concerns.

We stock over-the-counter medications such as acetaminophen, ibuprofen, and cold remedies, so it is not necessary to bring them.

COMMUNITY OPEN HOUSE

Sunday May 19, 2019 - 2-4 pm

Mark your calendar! The Community Open house is a great opportunity, especially for new campers, to explore the facilities before camp starts. For new campers, knowing what the cabins will be like, and knowing your way around can make the first day much less frightening. It's great to arrive at camp the first morning and not feel totally lost. We'll even have the heated pool open for you to enjoy!

Maps for self-guided tours will be available and there will be lots of staff around to answer questions. Come join us!

The form below must accompany any medications/supplements/essential oils the camper brings along. Please cut on the dotted line and bring with you to check-in.
