Summer 2023 Driving Opportunity
399 Lakeshore Dr. N, Holland, MI 616.399.3150

Camp Geneva is a Christian youth camp located on the Shores of Lake Michigan in North Holland. We run 10 weeks of summer camp. The Day Camp program offers a camp experience for children going into 1st through 4th grades. We are looking for 1-3 drivers to help cover the summer bus runs.

Here are the details:

- We offer transportation to and from a different church each week resulting in about a 2-2.5 hours each run time.
 - The bus runs each morning for camper pick up, Monday – Friday, typically between 7:30 – 9:30am. (Times vary slightly based on location of church).
 - The bus then returns campers to the church each afternoon/evening (Monday-Thursday) between 4pm-6pm (again times may vary slightly)
- There are typically 2-4 summer staff counselors that are on the bus to oversee campers, interact with parents and sign the campers in/out each trip. **The Bus Driver is not responsible for supervision of campers.**
- Summer camp runs from June 12-August 17, 2022.
- Hourly rate of pay is \$18.00/hour paid bi-weekly
- Flexible Shifts (may work all runs, or just morning or evening runs, or a combo of both)
- Why work for GENEVA?
 - Mission of connecting kids with Christ
 - Positive community of children and young adults to build into
 - Early morning coffee and breakfast with staff for free!
 - Some of the best singing voices you'll ever hear
 - So much fun!
